Memo

To: Club Secretary
Date: 27/04/2010
Subject: 10-22 – SSF Consistency

Dear Clubs

Goalkeeper

The goalkeeper is allowed to handle the ball anywhere in the penalty area. To restart play after a save or gathering the ball with their hands, the goalkeeper is not allowed to kick or drop kick the ball directly from their hands. The ball must be thrown or rolled from the hands or played from the ground with their feet, within 6 seconds. Opponents must be at least 5m outside the penalty area and cannot move inside the penalty area until the ball is in play. The ball is in play once it moves out of the penalty area.

Players other than the goalkeeper inside the penalty area (U8-U10): Players are allowed to enter the penalty area during a game.

Football Brisbane encourages clubs to implement the following recommendation:

When an individual player is completely dominating the game and has already scored three goals and their team is winning by a three-goal margin, he/she can only score another goal when one of their team-mates has scored a goal. This is to encourage good players to include other members of their team and to force them to create opportunities for others.

Ball crossing the touch line:

U6 – U7: There is no throw in. A player from the opposing team to the player that touched the ball last will place the ball on the touch line and pass or dribble the ball into play. Opponents must be at least 5m away from the ball until it is in play. The ball must touch a team mate before a goal can be scored.

U8-U10: Throw in: Player faces the field of play, has part of each foot on the ground either on or behind the touch line, uses both hands and delivers the ball from behind and over their head. The thrower must not touch the ball again until it has touched another player. Opponents must be at least 5m away from the ball until it is in play. The ball is in play once it enters the field of play. A goal cannot be scored directly from a throw in.

Offside –

There is no offside in SSF. Please note the following:

In the Under 8 – 10 age groups, team coaches and managers should strongly discourage children from permanently standing in blatant offside positions. In the Under age group children should be made aware of the offside rule during training and be encouraged to adopt this philosophy during the game at all times. Instructing referees should direct players permanently standing in blatant offside positions to move into onside positions.

The start of play and restart after a goal:

Pass forward to a team mate from the middle of the half way line. All players must be in their own half of the field of play. Opponents must be at least 5m away from the ball until it is in play. The ball must touch a team mate before a goal can be scored.
